S.H.E. WOMEN'S HEALTH SERIES

Strong Healthy Empowered

THRIVE IN EVERY SEASON

CONFERENCE INFORMATION

Franciscan Health is proud to introduce the inaugural S.H.E. (Strong • Healthy • Empowered) Women's Health Series, a statewide initiative dedicated to advancing the health and well being of women across Indiana. This multi week series will take place throughout September and October, bringing together healthcare experts, community partners, and women of all ages for education, connection, and empowerment.

The S.H.E. Women's Health Series will feature evidence based presentations, interactive workshops, and community centered experiences designed to support women in every stage of life. By addressing key topics in physical, emotional, and preventive health, the series aims to equip participants with the knowledge and tools needed to thrive.

We invite organizations committed to strengthening the health of Indiana communities to join us as sponsors of this landmark initiative. Your partnership will help expand access to high quality health education and ensure that women across the state have the resources they need to live strong, healthy, and empowered lives.
